Subject: Dates for OWOW briefing on Bristol Bay

Shoren:

I've checked with Denise Keehner's staff and she is available the following times during the week of December 13 for a follow-up briefing on Bristol Bay.

-- Dec 16 from 9:00 to 11:00 and Dec 17 in the afternoon.

Please let me know what works for your folks. At a minimum, I think it would be very helpful to have reps from TNC walk us through its October 2010 BB Risk Assessment and to hear an update on any literature compilations that your coalition is working on.

Thanks, Palmer
